Attention Inpatient Providers: Claims that Processed in Error as Outpatient Claims Have Been Reprocessed

Inpatient Medicare/Medicaid crossover claims submitted with Type of Bill between 210-219 and processed on or after May 19, 2020, through March 11, 2021, were processed in the Medicaid Management Information System (MMIS) as outpatient claims in error and denied. The impacted claims have been automatically reprocessed. Results of the reprocessed claims appear on remittance advices dated June 4, 2021.

Please note: When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
